

MelRec

Melbourne Recruitment Services

Your trusted partner for labour hire solutions

Industry Expertise

With over 30 years combined experience servicing the construction, trade, civil and logistics labour hire market, we understand the challenges our partners face and we're committed to providing both our clients and candidates with an exceptional level of service.

Guidance & Support

Whatever your labour or job requirements are, we have the resources, connections, and expertise to ensure that they're met – keeping projects on track and tradespeople securely employed.

Safety First

We are committed to providing access to information, training, and supervision to ensure each candidate is safe from injury and health risks. This is matched by our commitment to continually improve our performance through effective safety management measures.

Commitment to people

We are as committed to our clients as we are to the candidates who work with us, ensuring that both parties reap the benefit of customised, compliant services.

Why Choose Us?

- ✓ Client-Centric Approach
- ✓ 24/7 Service
- ✓ Comprehensive Screening
- ✓ Competitive Rates
